FATIMA MESSAGE

The Blessed Mother appeared to Jacinta, Francisco and Lucia on the 13th of each month of May through October 1917, except in August when she appeared on the 19th because the three children were in jail. In all six apparitions, She told us to pray the rosary daily for an end to war & to draw us to personal conversions; to offer our daily duty as an act of sacrifice to God for the conversion of sinners; to pray for those who have no one to pray for; She warned us that more souls go to Hell because of the sins of the flesh and we must stop offending God because He is already deeply offended. She said God wants us to establish devotion to Her Immaculate Heart. She also wants us to wear the brown scapular as a sign of our consecration to Her Immaculate Heart.
